

Satisfaction

Words: M. Glickman

Music: Jagger/Richards (“Satisfaction”)

Chorus: I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

V1 When I'm sitting down at lecture,
And that man begins to explain to me
That you must pay close attention
When you're fitting your regression
To heteroskedasticity!
I can't get no, oh no no no.
Hey hey hey, that's what I say.

Chorus: I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

V2 When I'm writing up my homework,
And I'm filled with great uncertainty,
So I run the test procedure,
And my teacher points and laughs at me
'Cause our p-values don't agree!
I can't get no, oh no no no.
Hey hey hey, that's what I say.

Chorus: I can't get no satisfaction,
I can't get no satisfaction.
'Cause I try and I try and I try and I try.
I can't get no, I can't get no.

V3 When I'm handed my diploma
For my hard-earned Bachelor's degree,
And the Dean says I cannot leave
Until I give an explanation
How to compute a correlation.
I can't get no, oh no no no.
Hey hey hey, that's what I say.

Coda: I can't get no, I can't get no,
I can't get no satisfaction,
no satisfaction, no satisfaction, no satisfaction.
